

Great Ohio Bicycle Adventure

**Welcome to the Great Ohio Bicycle Adventure (GOBA) 2024!**  
**You're receiving this e-mail because you're registered for the 2024 ride.**

### **This is Update #2**

**Our e-marketing system seems to have missed a number of registered GOBA riders last week, so much of this content will be a review of the 1st Update.**

**Thank you** for your continued support of the Great Ohio Bicycle Adventure - presented by Columbus Outdoor Pursuits!

As most of you know, we faced significant organizational and operation challenges in the past few years due to the pandemic. But, through your generous patience and support, we're confident that GOBA will be rolling for years to come!

Please listen to, read, and digest the updates and guidance we'll provide over the next few days. **We will try to set clear expectations for various components of the tour.** For example - we'll have some longer stretches between rest/food stops this year. And due to the very remote nature of our adventure, the availability of food choices might be limited. However, the cycling routes are beautiful and many of the rest/lunch stops will surprise and delight you.

We plan to e-mail you several more times in the week before GOBA - **HOWEVER - we've just published a video on our YouTube channel "[What you need to know](#)"** with all this great information. Its a fast-paced 30+ minutes of jam-packed content that covers:

- Basic preparation and GOBA "vibe" (How to GOBA for 1st-timers)
- Basic itinerary
- More details for each host community, entertainment, food, etc
- More details about routes & attractions/food on the routes
- Final check-in procedures

- Final routes will be posted by June 12th (for download to GPS devices & printing at home)

[The "What you need to know" video is on our YouTube channel here!](#)

**GOBA check-in:**

**GOBA+1 & GOBA Weekend riders only** - Friday June 14th – 3pm – 8pm.

All GOBA riders - Saturday June 15th - 7am - 8pm

The exact building & traffic flow map is at the bottom of this e-mail.

Late Check-in will also be available Sunday & Monday

Basic preparation – please review these three webpages for procedures, guidelines, and tons of answers to all your questions on what to bring and how to survive. (click on the link) (Or - [watch the "What you need to know" video!!](#))

1. ["How to GOBA"](#) – webpage includes basic guidelines...lots of them!
2. ["GOBA Camp Rules"](#) – webpage includes more details about the camping arrangements.
3. ["The Way to GOBA: Rider Handbook"](#) – A comprehensive handbook of operating standards, packing list, etc. This version is somewhat dated (from 2019), but contains a lot of relevant information.
4. Make sure your bicycle is in good working order.
5. Make sure your body is in good working order.
6. **Bring your cheerful disposition and adventurous spirit!!**

**The GOBA vibe** – this is a good segue to explain one of the principal objectives and expectations of GOBA. *This tour was created to introduce cyclists to often-unexplored regions of Ohio, and to allow these communities to showcase their unique offerings and warm hospitality.* GOBA riders, in turn, provide economic support to the local businesses and organizations that roll out their

hospitality. These local organizations (youth, adult, civic, church, etc) generate meaningful support for their local activities, and hopefully are left with a warm feeling for cyclists after we leave. As cyclists on the road, we can use all the love and respect we can generate...yes? **So – support the local offerings** for breakfasts on site, snack & lunch stops, and dinners at the local eateries. When you see the compiled list of all the groups/organizations that have benefitted - you'll get the vibe!

**The GOBA vibe - part 2 - Bring CASH!** Lots of small, manageable denominations. Most of the local organizations will be swamped....serving a GOBA rider every 20 seconds for a crazy hour or so. **Assume that all your transactions will be in CASH.** (except for dinner restaurants in Oxford & Hamilton)
